Happened

New Board

The new board of Security Professionals Association (ABSEG) for the biennium 2012/2014 was elected during the Ordinary and Extraordinary General Assembly held at its headquarters on July 26. The slate "União" (Union in English) elected by acclamation is formed by: President - Ricardo Tadeu Correa; Vice President - Tacito Augusto Silva Leite; Secretary Director - Tatiana Diniz; Treasurer Director - Marcy Jose de Campos Verde; Public Relations Director - Hugo Tisaka; Substitutes Directors - Igor de Mesquita Pipolo (Director at Nucleo) and Marcos do Nascimento da Silva. Nucleo takes this opportunity and congratulate the new president, Ricardo Tadeu, and all who are part of this team, wishing great strength and success in this challenge. You can find more information about ABSEG and events in the website www.abseg.com.br.

CNASI-PE 2012

The 2nd edition of the IT Audit, Information Security and Governance Conference (CNASI) of Pernambuco state was held between 1 and 2 August. The seminar surpassed the estimated public and about 300 people were present at the event, which was attended by Edison Fontes, partner at Nucleo, who ministered the lecture "How to develop Information Security Policy". Fontes presented the difficulties faced by organizations when developing information security regulations, indicated practical solutions, considering the context process of information security and exhibited the minimum required for a security policy. Part of the event was dedicated to an autograph section afternoon of Edison Fontes third book special edition, "Practicing Information Security".

Movie Suggestion

Name: "Breach"
Country: USA

Direction: Billy Ray
Thriller, Espionage / 110 min.

Year: 2007

Commented Synopsis: Eric O'Neill (Ryan Phillippe) is a young agent in training, who was assigned to work with Robert Hanssen (Chris Cooper), an experienced agent with over than 25 years of work, in a new division of the FBI, designed to protect confidential information. However O'Neill soon realizes the real intention of his new assignment: investigate Hanssen, which is accused of selling information to the Soviet Union. To accomplish his mission O'Neill must earn the trust of Hanssen, so he can unmask the traitor gradually. After being an unimportant assistant, the young agent realizes that he became a key piece of one of the most important cases of American intelligence. "An interesting film based on a real case of early 2001, which covers issues involving digital forensics, ethical and investigation". **Marcela Floriano**
